

STEP INTO A WORLD WHERE
IMAGINATION MEETS ART...

**Kidz
Factory**

WHERE IMAGINATION MEETS ART

WELCOME to the FACTORY!

Kidz Factory is an Art, Hobby and Edutainment Centre located in Dalma Mall, where children of all ages can experience a world of creativity! We have designed each corner of the Factory to be warm, welcoming and happy – one that your child will associate with fun and remember, as part of a fantastic childhood, where they can paint and create to their hearts content!

Our areas include: The Tech Lab for Art & Hobby Classes, The Play Yard with soft play, Foam Pit and Factory Machines, Party Centrale for Birthday Parties, The Hobby Mill, where you can choose your favorite activities and of course Zumba's Workshop, where you can make Art in many different forms like wood, textile, wax, paper, soap, ceramics, Science Experiments & delicious Masterchef activities too! And whilst you're here please don't forget to pass by FoodStop, our very own in-house Concept Café, where parents and kids alike can enjoy delicious, imaginative meals served by little mobile engines. We also do Awesome Outdoor Catering, and Family Fun Day Events. We can't wait to see you!
